

Time to Change: A Guide to Life After Greed

THE POLITICAL AUTOBIOGRAPHY OF THE INSURGENT PRESIDENTIAL CANDIDATE

Bernie Sanders's campaign for the presidency of the United States has galvanized people all over the country, putting economic, racial, and social justice into the spotlight, and raising hopes that Americans can take their country back from the billionaires and change the course of history.

In this book, Sanders tells the story of a passionate and principled political life. He describes how, after cutting his teeth in the Civil Rights movement, he helped build a grassroots political movement in Vermont, making it possible for him to become the first independent elected to the U.S. House of Representatives in forty years. The story continues into the U.S. Senate and through the dramatic launch of his presidential campaign.

"I endorse Brother Bernie Sanders because he is a long-distance runner with integrity in the struggle for justice for over fifty years. Now is the time for his prophetic voice to be heard across our crisis-ridden country." **CORNEL WEST, AUTHOR OF RACE MATTERS**

"Bernie's been in the forefront of all the crucial environmental fights of recent years." **BILL McKIBBEN, COFOUNDER OF 350.ORG**

"Bernie is the real thing. He's not about reading the polls and finding out what he needs to say in order to get elected. He's about an unwavering commitment to basic justice, equality and sound financial sense." **BEN COHEN, COFOUNDER OF BEN & JERRY'S AND FOUNDER OF STAMPEDE: STAMP MONEY OUT OF POLITICS**

"I feel weird using words like 'values' and 'morals' because those are words that have been co-opted to justify terrible things like bigotry and greed. I'd like to take those words back and use them to describe Bernie Sanders because his moral compass and sense of values inspire me." **SARAH SILVERMAN, COMEDIAN AND SOCIAL COMMENTATOR**
